Broadwood School is a special school. Many of our pupils have experienced disruption, trauma or exclusion from previous settings, and their behaviour is often the clearest way they tell us how they are feeling. At Broadwood School we treat behaviour as communication, and we respond with warmth, structure and high expectations rather than blame.

This policy sets out how we promote positive behaviour, how we respond when behaviour falls short, and the standards every member of our community can expect. It is built on the belief that pupils behave well when they feel safe, understood and respected, and when the adults around them are calm, consistent and fair.

Our approach is grounded in Keys Connect, our relational and trauma-informed model. At Broadwood School we build positive behaviour through strong relationships, a sense of belonging and a curriculum that engages every pupil.

3. Aim & Scope

This policy applies to all staff, pupils, parents and carers, and visitors at Broadwood School. It applies in school, on school activities and visits, on the journey to and from school, and to behaviour online or out of school where it affects the school community or another pupil. It aims to:-

- Set clear, consistent and high expectations of behaviour which every pupil can understand and meet.
- Help pupils to develop self-regulation, responsibility and the social skills they need to thrive.
- Set out a fair, graduated and restorative response to behaviour that falls short of those expectations.
- Keep pupils and staff safe and make sure any response to behaviour is reasonable, proportionate and the least intrusive option.
- meet our duties under the Independent School Standards and current statutory guidance.

4. Abbreviations and Definitions

This policy uses the following terms:

- Behaviour curriculum: the routines, expectations and social and emotional skills we teach explicitly so that pupils know how to behave well.
- Restorative practice: a structured conversation that helps a pupil understand the impact of their behaviour, repair harm and put things right.
- Sanction: a reasonable and proportionate consequence applied in response to misbehaviour.
- Suspension and permanent exclusion: a formal decision to remove a pupil from school for a fixed period or permanently, dealt with under our separate Suspension and Permanent Exclusion Policy (EDU.POL.012).

5.1 Principles and Approach

At Broadwood School our practice is guided by these principles.

All behaviour is communication. We seek to understand the need behind the behaviour, including trauma, attachment, sensory and communication needs, before we respond.

Relationships come first. Warm, consistent and predictable relationships are the foundation of good behaviour.

Expectations are high and they are the same for everyone, adjusted only where a pupil's needs make that fair.

Responses are calm, consistent and the least intrusive that will keep everyone safe.

We repair rather than shame. We prefer natural and restorative consequences to punishment that isolates or humiliates.

We notice the positive. Strength-based language and genuine praise shape our daily interactions.

5.2 Behaviour in Practice

Behaviour expectations and the behaviour curriculum

At Broadwood School we teach behaviour, we do not assume it. We set out clear, simple expectations and we teach the routines, language and social and emotional skills that help pupils meet them. Expectations are shared with pupils, staff and parents, and they apply across the whole school day.

Recognising and rewarding positive behaviour

We recognise positive behaviour far more often than we sanction. Praise, positive contact with home and our recognition systems reinforce the behaviour we want to see. The local detail of our recognition and reward systems is set out in the school-specific annex at Appendix A.

Responding to behaviour that falls short

Our response is graded, calm and consistent. We start with understanding and early intervention, we use de-escalation and time to regulate, and we follow up with a restorative conversation to repair harm. Sanctions are reasonable and proportionate, and we always consider a pupil's needs before we apply them.

A record is kept of the sanctions imposed for serious misbehaviour, as required by paragraph 9 of the Independent School Standards. Sanctions are recorded on Arbor and reviewed by leaders to make sure they are fair and effective.

Behaviour support plans

Copyright – to be used only with prior and express permission of Keys Group.

Where a pupil needs an individual approach, we put a behaviour support plan in place. The plan sets out the pupil's strengths, known triggers, proactive strategies and agreed responses, and it is written with the pupil, the family and relevant professionals and reviewed regularly. Schools may use a different name for this document, for example an individual education plan. A template is at Appendix B. Plans are held at Arbor.

Mobile phones and electronic devices

At Broadwood School we are a mobile-phone-free environment by default. Pupils are not to use mobile phones or personal electronic devices during the school day, including during lessons, the time between lessons, breaktimes and lunchtime.

Where a pupil brings a phone or device to school, it is handed to designated staff at the start of the day, kept securely, and returned at the end of the day. Any agreed exception for a medical or special educational need is documented in the pupil's individual plan.

Misuse of a phone or device, including bullying, sharing inappropriate content or accessing harmful material, is treated seriously and dealt with under this policy and the Safeguarding and Online Safety policies (EDU.POL.009). Staff may search for and confiscate a phone in line with section 7.6 below. This approach reflects the Department for Education guidance on mobile phones in schools and the duty under the Children's Wellbeing and Schools Act 2026 to have regard to that guidance.

Searching, screening and confiscation

Staff authorised by the Headteacher, William Monteith may search a pupil or their possessions where they have reasonable grounds to suspect the pupil has a prohibited item, in line with the Department for Education guidance on searching, screening and confiscation. Reasonable force may be used to search only for prohibited items such as knives, weapons, alcohol, illegal drugs or stolen items, never for an item identified only in the school rules. Where a search raises a safeguarding concern, the designated safeguarding lead, Richard Mulhall is informed without delay. Detailed search procedures are set out in our Searching, Screening and Confiscation Policy (EDU.POL.035).

Use of reasonable force and physical intervention

Physical intervention is always a last resort, used only to keep a pupil or others safe, and never as a punishment. How and when reasonable force may be used, the techniques staff are trained in, and how every incident is recorded and reported are set out in full in our Positive Handling and Physical Intervention Policy (EDU.POL.020). The recording and reporting of seclusion and restraint, including the duties under Standards 16A and 32A, is dealt with in that policy and is not duplicated here.

Restrictive practices will be regularly reviewed to ensure they remain lawful, necessary, proportionate and in the pupil's best interests.

Suspension and exclusion

Any decision to suspend or permanently exclude a pupil is taken by the Headteacher, William Monteith under our Suspension and Permanent Exclusion Policy (EDU.POL.012). As an independent school we are not bound by the statutory exclusion process that applies to maintained schools and academies, but we have regard to the principles of fairness in the Department for Education Suspension and Permanent Exclusion guidance. Suspension and exclusion are never used to manage a pupil's needs in place of proper support.

Part-time timetables

At Broadwood School a part-time timetable is never used as a behaviour management tool. A reduced timetable is only ever used as a short-term, planned measure to meet a pupil's medical or reintegration needs, agreed with parents and kept under review, in line with attendance guidance and our Attendance Policy (EDU.POL.005).

Behaviour beyond the school gate and online

We may respond to behaviour outside school, including online, where it affects another pupil, a member of staff or the reputation and safe running of the school. Online behaviour, including bullying through phones or social media, is dealt with under this policy alongside our Anti-Bullying and Online Safety policies (EDU.POL.009).

5.3 Recording, Monitoring and Reporting

Behaviour incidents and sanctions are recorded on Arbor (and RADAR if it involves a restrictive physical intervention), including a record of sanctions for serious misbehaviour as required by paragraph 9 of the Independent School Standards. Leaders analyse behaviour data to identify patterns across pupil groups, including pupils with SEND and other vulnerable pupils, and use it to target support and improve practice. Behaviour data and the impact of this policy are reported to the proprietor and governors on a regular cycle.

5.4 Equality and Inclusion

At Broadwood School this policy is applied fairly and without discrimination, in line with the Equality Act 2010. Many of our pupils have special educational needs or disabilities, and we make reasonable adjustments so that expectations and responses are fair for every pupil. We monitor the impact of this policy on pupils with protected characteristics and adapt our practice to remove disadvantage. Any concern that this policy disadvantages a pupil or group should be raised with the Headteacher, William Monteith.
