The Grove is a specialist residential service, supporting up to 12 adults with acquired brain injuries and mental health needs. The service provides a supportive and person-centred environment where individuals are encouraged to live fulfilling lives, build independence and work towards their personal goals.

Support at The Grove is tailored to each individual, with personalised care plans shaped around their strengths, aspirations and preferences.

The experienced staff team works closely with individuals to develop life skills, increase community participation and support emotional wellbeing.

A range of therapeutic, vocational and social opportunities are provided, enabling individuals to progress at their own pace and achieve meaningful outcomes.

The home offers a range of accommodation options and communal spaces, including lounges, kitchens and a garden, creating a comfortable and sociable environment.

The Grove supports individuals to stay connected to their community while continuing their journey towards greater independence.

With close access to local amenities, healthcare services and transport links, The Grove supports individuals to stay connected to their community while continuing their journey towards greater independence.
