Gelli Ceirios

Keys

Specialising in **acquired brain injuries** and **mental health needs**

5 Ensuite Bedrooms

Mixed Gender - 18–75 years old

Fforchaman Road, Cwmaman, Aberdare, CF44 6NH

Gelli Ceirios is a specialist rehabilitation service in Cwmaman, Aberdare, supporting adults with Acquired Brain Injuries and Mental Health needs, including those with complex and long-term rehabilitation requirements. Situated within a peaceful setting in the South Wales valleys, the service provides a safe and supportive environment where individuals can focus on recovery,

Support at Gelli Ceirios is centred on helping people develop effective coping techniques, build resilience and achieve meaningful progress towards more independent living.

Working within a person-centred framework, the experienced team tailors support around individual needs, strengths and aspirations, enabling people to develop the confidence and skills required to manage everyday life more independently.

The service offers comfortable accommodation with access to communal living areas, outdoor spaces and a range of meaningful activities both within the home and the wider community.

With strong clinical oversight and a proven track record in supporting rehabilitation, Gelli Ceirios provides an encouraging environment where individuals can achieve positive outcomes and work towards their future goals.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care**, **Education** and **Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
