

Malvern View

Keys

Specialising in learning disabilities and autism

10 Bedrooms

Mixed Gender - 18-65 years old

573 Birmingham Road, Lydiate Ash, Bromsgrove, B61 0HX

Malvern View is a specialist residential service supporting adults with Learning Disabilities and Autism. Set within a peaceful residential area with excellent access to local amenities, transport links and nearby towns including Bromsgrove and Birmingham, the service offers a welcoming environment where individuals can develop confidence, independence and life skills at their own pace.

Support at Malvern View is built around a person-centred approach that recognises and nurtures the strengths, interests and aspirations of every individual. Working closely with people to identify personal goals and meaningful outcomes, the team promotes active participation in daily life, community involvement and independent living skills.

Access to multidisciplinary support, including occupational therapy, advocacy and specialist input where needed, helps individuals make progress towards greater independence and an enhanced quality of life.

The service is based in a spacious detached home with ten bedrooms, including five en-suite rooms, alongside shared living spaces and private gardens.

With opportunities for recreation, social activities and skill development both at home and within the local community, Malvern View provides a supportive setting where people can thrive, build meaningful relationships and achieve their personal goals.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care, Education and Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
