1. Supporting Documents

- This policy connects to the SEND policy (EDU.POL.022), the PSHE & RSHE policy (EDE.POL.003), the Curriculum policy (EDU.POL.008) and the school's arrangements for looked after children.

Related policies are held within RADAR in the School's policy folder.

2. Introduction

At Park House School, we believe that every pupil, whatever their needs or starting point, is entitled to high quality careers education that opens doors rather than closing them. We are a special school community and many of our pupils follow complex and individual pathways. Our careers provision is personalised, ambitious and built on the belief that every young person can move on to a positive and fulfilling destination. This policy sets out how we prepare pupils for life after school and the standards we hold ourselves to.

3. Aim & Scope

Copyright – to be used only with prior and express permission of Keys Group.

This policy applies to all staff, pupils, parents and carers, and the external partners who support careers provision at Park House School. It aims to:

- give every pupil access to accurate, up to date and impartial careers guidance that helps them make informed choices and fulfil their potential
- deliver a planned and progressive careers programme from Year 7 onwards that is matched to each pupil's needs, aspirations and stage of development
- link careers learning to the curriculum, to real world skills and to current labour market information
- provide meaningful encounters with employers and the workplace, and access to further education, higher education and training providers
- support smooth transition into post 16 and post 18 education, employment or training, reducing the risk of any pupil becoming not in education, employment or training
- tie careers guidance closely to each pupil's EHCP outcomes and preparing for adulthood planning

4. Abbreviations and Definitions

- CEIAG means careers education, information, advice and guidance.
- The Gatsby Benchmarks are the eight national benchmarks of good career guidance that Park House School uses to plan and evaluate its provision.
- Preparing for adulthood means the planning that supports pupils with SEND towards employment, independent living, good health and community inclusion, beginning in the EHCP review from Year 9.
- NEET means not in education, employment or training.

5. Policy Content

5.1 Principles and Approach

We hold high aspirations for every pupil and do not limit a young person's horizons because of their needs or history. Our guidance is impartial. We act in the pupil's best interests, not in the interests of any particular provider or pathway. Provision is personalised. We plan around each pupil's strengths, interests, EHCP outcomes and barriers. Careers learning is progressive and starts early, building year on year from Year 7. We work in partnership with families, employers, colleges and external advisers, because good transitions are built together.

5.2 Our Careers Programme

The Gatsby Benchmarks

At Park House School, we use the eight Gatsby Benchmarks to plan and measure the quality of our careers provision. We review our position against each benchmark at least annually and use the findings to improve.

A progressive programme

Careers learning runs from Year 7 to post 16 and builds year on year. It is adapted to each pupil's needs and stage of development.

- In Years 7 to 9, pupils build self awareness, explore the world of work and begin to link the curriculum to careers.
- In Years 10 and 11, pupils take part in individual guidance meetings, work related learning and supported encounters with employers and providers, and begin detailed transition planning.
- Post 16, the focus is progression into further education, employment, training or a supported pathway, with personalised support and provider liaison.

Impartial guidance and provider access

Every pupil has access to impartial careers guidance, including support from a qualified external careers adviser, particularly in Years 10 and 11. We give providers of further and technical education and apprenticeships opportunities to talk to pupils about their offer.

Encounters with employers and the workplace

We arrange meaningful encounters with employers and experiences of the workplace, adapted to each pupil's needs. Where a traditional placement is not appropriate, we use supported, flexible and in school alternatives so that no pupil is left out of work related learning.

Pupils with SEND and other vulnerable groups

Careers guidance is tied to each pupil's EHCP outcomes and preparing for adulthood planning, which begins in the Year 9 review. We give particular attention to pupils with EHCPs, looked after children, care leavers and other vulnerable pupils, working with the SENCO, families, social workers and external agencies to plan transitions and to use accessible resources and communication. Careers guidance will be delivered in accessible formats appropriate to pupils' communication, cognition and sensory needs.

5.3 Recording, Monitoring and Reporting

Pupil careers activity, guidance meetings and destinations are recorded on Arbor. We track the destinations of leavers and review the proportion progressing to positive post 16 and post 18 outcomes. The Careers Lead evaluates the programme at least annually against the Gatsby Benchmarks and pupil outcomes, and reports to the headteacher and the Proprietor and Governors. The school seeks to track destinations for at least one year following transition wherever this information is available.

5.4 Equality and Inclusion

At Park House School, this policy is applied fairly and without discrimination, in line with the Equality Act 2010. We monitor the impact of this policy on pupils with
