

Summerhill

Specialising in **acquired brain injuries**

Keys

12 Bedrooms

Mixed Gender - 18–65 years old

Summerhill Avenue, Newport, NP19 8FP

Summerhill is a specialist residential service, supporting adults with acquired brain injuries. Set within a modern, purpose-designed environment, the service provides a calm and structured setting where individuals can focus on rehabilitation, independence and rebuilding daily living skills.

Support at Summerhill is highly personalised, with comprehensive assessments and tailored support plans addressing each individual's cognitive, emotional, behavioural and physical needs.

The service offers both rehabilitation-focused and long-term placements, with regular reviews ensuring care evolves alongside each person's progress.

Families and professionals are actively involved, creating a collaborative approach that supports positive outcomes and sustained development.

The home features spacious en-suite bedrooms, accessible design and therapy spaces that support rehabilitation, alongside communal areas that promote social interaction and independence.

Located close to local amenities and transport links, Summerhill enables individuals to reconnect with their community, build confidence and move forward on their recovery journey.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care, Education and Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
