

Blackwells

Keys

Specialising in **learning disabilities, autism** and **mental health** needs

7 Ensuite Bedrooms

Mixed Gender - 18–65 years old

210 Whitecross Road, Hereford, Herefordshire, HR4 0DJ

Blackwells is a specialist residential service in Hereford, supporting up to seven adults with learning disabilities, autism and mental health needs. Located close to local amenities and excellent transport links, the service offers a welcoming and supportive environment where individuals can develop their strengths, build confidence and work towards greater independence.

Support at Blackwells is centred around Positive Behaviour Support, Active Support and person-centred planning. The team works closely with each individual to understand their goals, preferences and aspirations, ensuring support is tailored to their changing needs.

By encouraging choice, promoting independence and nurturing existing skills, Blackwells helps individuals achieve meaningful outcomes while maintaining a strong focus on wellbeing and quality of life.

The service offers seven en-suite bedrooms alongside comfortable communal spaces, including shared living and dining areas, accessible facilities and outdoor spaces.

With easy access to community activities, healthcare services and local opportunities, Blackwells provides a

safe and empowering environment where individuals can strengthen their independence, pursue their interests and participate fully in community life.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care**, **Education** and **Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
