Isfryn is a specialist rehabilitation service, supporting up to eight adults with Acquired Brain Injuries and Mental Health needs. Located within the beautiful Swansea Valley and close to local amenities and leisure facilities, the service offers a welcoming, homely environment where individuals can focus on recovery, rehabilitation and regaining independence.

Support at Isfryn is tailored to the unique needs of every individual, recognising that no two people or brain injuries are the same. Through personalised support plans, structured rehabilitation programmes and measurable outcome tools, the team helps individuals develop life skills, build confidence and achieve meaningful progress.

Regular reviews and goal-focused support ensure people are empowered to reach their personal ambitions whilst promoting health, happiness and wellbeing.

The service offers eight en-suite bedrooms, communal living areas, a fully equipped kitchen and spacious gardens.

With opportunities to access community activities, leisure facilities and local amenities, Isfryn provides a supportive setting where individuals can rebuild skills, reconnect with their community and work towards a more independent future.
