Section 2 – Introduction

Denby Grange is a special school. Many of our pupils have experienced disruption, trauma or exclusion from previous settings, and their behaviour is often the clearest way they tell us how they are feeling. At Denby Grange we treat behaviour as communication, and we respond with warmth, structure and high expectations rather than blame.

This policy sets out how we promote positive behaviour, how we respond when behaviour falls short, and the standards every member of our community can expect. It is built on the belief that pupils behave well when they feel safe, understood and respected, and when the adults around them are calm, consistent and fair.

Our approach is grounded in Keys Connect, our relational and trauma-informed model. At Denby Grange School we build positive behaviour through strong relationships, a sense of belonging and a curriculum that engages every pupil.

Section 3 – Aim & Scope

This policy applies to all staff, pupils, parents and carers, and visitors at Denby Grange School. It applies in school, on school activities and visits, on the journey to and from school, and to behaviour online or out of school where it affects the school community or another pupil. It aims to:

- Set clear, consistent and high expectations of behaviour which every pupil can understand and meet.
- Help pupils to develop self-regulation, responsibility and the social skills they need to thrive.
- Set out a fair, graduated and restorative response to behaviour that falls short of those expectations.
- Keep pupils and staff safe and make sure any response to behaviour is reasonable, proportionate and the least intrusive option.
- Meet our duties under the Independent School Standards and current statutory guidance.

Section 4 – Abbreviations and Definitions

This policy uses the following terms:

- **Behaviour curriculum:** the routines, expectations and social and emotional skills we teach explicitly so that pupils know how to behave well.
- **Restorative practice:** a structured conversation that helps a pupil understand the impact of their behaviour, repair harm and put things right.
- **Sanction:** a reasonable and proportionate consequence applied in response to misbehaviour.
- **Suspension and permanent exclusion:** a formal decision to remove a pupil from school for a fixed period or permanently, dealt with under our separate Suspension and Permanent Exclusion Policy.

Section 5 - Policy Content

5.1 Principles and Approach

At Denby Grange School our practice is guided by these principles:

All behaviour is communication - We seek to understand the need behind the behaviour, including trauma, attachment, sensory and communication needs, before we respond.

Relationships come first - Warm, consistent and predictable relationships are the foundation of good behaviour.

Expectations are high and they are the same for everyone – We adjust only where a pupil's needs make that fair.

Responses are calm, consistent and the least intrusive that will keep everyone safe - We repair rather than shame. We prefer natural and restorative consequences to punishment that isolates or humiliates.

We notice the positive - Strength-based language and genuine praise shape our daily interactions.

5.2 Behaviour in Practice

Behaviour expectations and the behaviour curriculum

At Denby Grange School we teach behaviour, we do not assume it. We set out clear, simple expectations and we teach the routines, language and social and emotional skills that help pupils meet them. Expectations are shared with pupils, staff and parents, and they apply across the whole school day.

Recognising and rewarding positive behaviour

We recognise positive behaviour far more often than we sanction. Praise, positive contact with home and our recognition systems reinforce the behaviour we want to see. The local detail of our recognition and reward systems is set out in the school-specific annex at Appendix A.

Responding to behaviour that falls short

Our response is graduated, calm and consistent. We start with understanding and early intervention, we use de-escalation and time to regulate, and we follow up with a restorative conversation to repair harm. Sanctions are reasonable and proportionate, and we always consider a pupil's needs before we apply them.

A record is kept of the sanctions imposed for serious misbehaviour, as required by paragraph 9 of the Independent School Standards. Sanctions are recorded on Arbor and reviewed by leaders to make sure they are fair and effective.

Pupil Passports

We understand that every pupil is unique and therefore each pupil has an individual pupil passport which sets out the pupil's strengths, known triggers, proactive strategies and agreed responses, and is

reviewed regularly with input from family, professionals and the pupil. A template is at Appendix B. Passports are held on Arbor.

Behaviour support plans

Where a pupil needs an enhanced approach, we put a behaviour support plan in place. The plan sets out the pupil's strengths, known triggers, proactive strategies and agreed responses, and it is written with the pupil, the family and relevant professionals and reviewed regularly. Schools may use a different name for this document, for example an individual education plan. A template is at Appendix C. Plans are held on Arbor.

Mobile phones and electronic devices

At Denby Grange School we are a mobile-phone-free environment by default. Pupils are not to use mobile phones or personal electronic devices during the school day, including during lessons, the time between lessons, breaktimes and lunchtime.

Where a pupil brings a phone or device to school, it is handed to designated staff at the start of the day, kept securely, and returned at the end of the day. Any agreed exception for a medical or special educational need is documented in the pupil's individual plan.

Any site-specific exception to the mobile-phone-free position must be set out here with a clear behavioural and safeguarding rationale that the school can defend: We have one member of staff who is exempt from the mobile phone ban for medical reasons.

Misuse of a phone or device, including bullying, sharing inappropriate content or accessing harmful material, is treated seriously and dealt with under this policy and the Safeguarding and Online Safety policies. Staff may search for and confiscate a phone in line with our Searching, Screening and Confiscation Policy. This approach reflects the Department for Education guidance on mobile phones in schools and the duty under the Children's Wellbeing and Schools Act 2026 to have regard to that guidance.

Searching, screening and confiscation

Staff authorised by the Headteacher may search a pupil or their possessions where they have reasonable grounds to suspect the pupil has a prohibited item, in line with the Department for Education guidance on searching, screening and confiscation. Reasonable force may be used to search only for prohibited items such as knives, weapons, alcohol, illegal drugs or stolen items, never for an item identified only in the school rules. Where a search raises a safeguarding concern, the Designated Safeguarding Lead is informed without delay. Detailed search procedures are set out in our Searching, Screening and Confiscation Policy.

Use of reasonable force and physical intervention

Physical intervention is always a last resort, used only to keep a pupil or others safe, and never as a punishment. How and when reasonable force may be used, the techniques staff are trained in, and how every incident is recorded and reported are set out in full in our Positive Handling and Physical

Intervention Policy. The recording and reporting of seclusion and restraint, including the duties under Standards 16A and 32A, is dealt with in that policy and is not duplicated here.

Restrictive practices will be regularly reviewed to ensure they remain lawful, necessary, proportionate and in the pupil's best interests.

Suspension and exclusion

Any decision to suspend or permanently exclude a pupil is taken by the Headteacher under our Suspension and Permanent Exclusion Policy. As an independent school we are not bound by the statutory exclusion process that applies to maintained schools and academies, but we have regard to the principles of fairness in the Department for Education Suspension and Permanent Exclusion guidance. Suspension and exclusion are never used to manage a pupil's needs in place of proper support.

Part-time timetables

At Denby Grange school a part-time timetable is never used as a behaviour management tool. A reduced timetable is only ever used as a short-term, planned measure to meet a pupil's medical or reintegration needs, agreed with parents and kept under review, in line with attendance guidance and our Attendance Policy.

Behaviour beyond the school gate and online

We may respond to behaviour outside school, including online, where it affects another pupil, a member of staff or the reputation and safe running of the school. Online behaviour, including bullying through phones or social media, is dealt with under this policy alongside our Anti-Bullying and Online Safety policies.

5.2 Recording, Monitoring and Reporting

Behaviour incidents and sanctions are recorded on Arbor (and Radar if it involves a restrictive physical intervention), including a record of sanctions for serious misbehaviour as required by paragraph 9 of the Independent School Standards. Leaders analyse behaviour data to identify patterns across pupil groups, including pupils with SEND and other vulnerable pupils, and use it to target support and improve practice. Behaviour data and the impact of this policy are reported to the proprietor and governors on a regular cycle.

5.3 Equality and Inclusion

At Denby Grange School this policy is applied fairly and without discrimination, in line with the Equality Act 2010. Many of our pupils have special educational needs or disabilities, and we make reasonable adjustments so that expectations and responses are fair for every pupil. We monitor the impact of this policy on pupils with protected characteristics and adapt our practice to remove disadvantage. Any concern that this policy disadvantages a pupil or group should be raised with the headteacher.

Staff who may need to use physical intervention are trained in an accredited approach, refreshed in line with that accreditation. Our positive handling training is set out in the Positive Handling and Physical Intervention Policy. Training needs are reviewed at least annually and after any significant incident or change in guidance.

Section 8 - Equality Impact Statement

All policies will be developed and implemented in a manner that promotes equality, diversity, and inclusion, ensuring fair and equitable treatment for all individuals. Policies must align with relevant

equality legislation and reflect the expectations and standards set by our regulatory bodies. They will demonstrate a commitment to eliminating discrimination, advancing equality of opportunity, and fostering an inclusive environment that respects and values the diverse needs, backgrounds, and experiences of those we support, as well as our workforce.

Section 9 - Sources of Information / References

Appendix A: School-Specific Information

At Denby Grange School the following local arrangements apply:

Our school values and how they shape behaviour:

- Our school values and ethos revolve around Keys Connect, using trauma-informed attachment practice within our school, promoting therapeutic relational support. We use Keys Connect to recognise positive behaviour and promote the behaviours we expect to see from our pupils, which are underpinned by respect, kindness and responsibility. We explicitly teach expectations and positive behaviours through our PSHE-rich curriculum. Staff model values through daily interactions with pupils and each other.

Our daily expectations routines, including start of day, transitions and breaks:

- The behaviour standards pupils are expected to uphold, prepare them for adult-life. This is supported through a structured daily timetable, including form tutor time, activities at break and lunch time and weekly celebration assemblies. When pupils display behaviours which aren't in line with our values, we use a restorative approach to help talk through the behaviours with the young person and reflect on how we can make better choices next time.

Our recognition and reward systems:

- To recognise positive behaviour, we use a range of strategies such as praise and positive phone calls home when pupils show the behaviours we want to see. We use reward assemblies, certificates, privileges (including reward trips) and strategies to support positive behaviour choices. To support improvements in positive behaviour through our Keys Connect ethos we treat every day as a new day and ensure it is a fresh start for our pupils. We do this through building positive relationships between staff and pupils and everything we do is focused on how we can develop better relationships across school, including working closely with our parents/carers. We use positive reinforcement to continually recognise good behaviour choices and staff understand how to support pupils showing unwanted behaviours by modelling the Keys Connect values. Appropriate behaviour is celebrated at Denby Grange.

Key pastoral and behaviour support roles and how to refer to them:

- Senior Behaviour Lead: Joanne Loxton – Associate Headteacher
- Pastoral Managers: Stacey Fletcher and Jen Taylor

Additional support systems:

Classroom teachers and support staff work closely with pastoral leads to ensure that a graduated approach is taken on an individual basis for each pupil. Our SENCo Team and DSL provide advice and support daily and inform any necessary changes to individual behaviour strategies. With our Keys clinical team, we have access to additional support for pupils and staff for further specialist help. We have used the clinical team to provide training to the SLT team which further supports our school values and ethos. Arbor is used as a school wide approach to tracking behaviour and allows us to unpick specific behaviours across the schools and give pupils the best support needed at this

point in time. From reviewing Arbor reports, we are able to identify suitable interventions for both individuals and class groups, as well as identifying where staff may need additional support with behaviour interventions. To support this we use Boxall Profiles, this enables staff to focus on individual pupils and their needs, setting outcomes which pupils work towards. Where additional support is required, the school works closely with a vast range of external agencies who are engaged according to individual need.
