1. Introduction

The Equality Act 2010 (updated 2012) mandates that all schools and local authorities develop and implement plans to improve accessibility for disabled pupils.

Since September 2002, schools, including independent schools, and local authorities must formulate accessibility strategies and plans to ensure inclusive environments.

Snow Hill School is committed to providing a fully accessible environment that values and includes all pupils, staff, parents/carers, and visitors, regardless of their educational, physical, sensory, social, spiritual, emotional, or cultural needs.

We are dedicated to challenging attitudes towards disability and accessibility and fostering a culture of awareness, tolerance, and inclusion.

Snow Hill School maintains individual accessibility plans (appendix A), reviewed and updated every three years, tailored to the needs of our pupils.

2. Aim and Scope

This policy aims to create and maintain an inclusive educational environment for the entire school community, promoting ongoing awareness, tolerance, and inclusion.

3. Definitions and Abbreviations

The Disability Discrimination Act (2005) defines disability as a physical or mental impairment that has a substantial and long-term adverse effect on the ability to carry out normal day-to-day activities.

This includes sensory impairments (such as sight or hearing loss) and mental illnesses that are clinically recognised (for example, medically diagnosed Attention Deficit Hyperactivity Disorder).

Not all disabled pupils have Special Educational Needs (SEN), and not all pupils with SEN have disabilities under this legislation. Many pupils may have an Education, Health and Care Plan (EHCP) or an Individual Development Plan (IDP in Wales).

4. Policy Content

4.1 Improving Access to the Physical Environment

We commit to enhancing the physical environment of Snow Hill School including visual, acoustic, and physical aspects, to meet the needs of disabled pupils. Reasonable

adjustments may include sensory adaptations, assistive technologies, and differentiated communication methods.

All new buildings comply with Building Regulations and the Education (School Premises) Regulations (2012) to ensure physical accessibility.

4.2 Increasing Access to the Curriculum

Access to the curriculum encompasses teaching and learning as well as extracurricular activities such as after-school clubs, leisure, sports, cultural events, and school visits.

We tailor accessibility planning to pupils with EHCPs and complex needs to ensure full participation.

4.3 Improving Delivery of Written Information

We ensure that written materials provided to pupils are available in formats suitable to their abilities and needs, delivered within reasonable timescales.

Local authorities and schools review and revise accessibility strategies and plans regularly, prioritising resources for effective implementation.

5. Responsibilities

The Headteacher, teaching staff, agency staff, and all personnel working within or supporting Snow Hill School share responsibility for implementing this policy.

6. Training Requirements

The Headteacher ensures that all staff receive induction training on this policy and ongoing professional development related to accessibility and inclusion.

7. Equality Impact

All staff and stakeholders must comply with this policy and demonstrate sensitivity and competence regarding diversity in race, faith, age, gender, disability, and sexual orientation.

If any individual or group believes they are disadvantaged by this policy, they should contact their line manager. Snow Hill School and Keys Group will respond proactively to such concerns.
