

Birchwood House

Keys

A specialist home for **adults** with **mental health** needs

 8 bedrooms

 Mixed Gender

Hall Green, Birmingham

Situated in a well-connected suburban area with easy access to shops, transport links and community facilities, Birchwood House provides a safe and structured environment where individuals can focus on recovery and rebuilding independence.

Support at Birchwood House is centred around a person-led, recovery-focused approach, recognising that every individual's journey is unique.

The team works closely with each person, their families and professionals to set meaningful goals, build resilience and develop skills for long-term wellbeing.

With regular reviews, one-to-one support and a strong focus on personal strengths, individuals are empowered to take control of their lives and progress towards greater independence.

The service offers a mix of en-suite bedrooms and self-contained studio flats, creating a flexible pathway towards semi-independent living.

With shared living spaces, an activity room and a garden, alongside access to local leisure facilities and community opportunities, Birchwood House provides a supportive setting where individuals can grow in confidence, pursue their interests and take positive steps towards independent living.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care, Education and Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
