Glanmore is a specialist residential service, supporting adults with Mental Health needs, Acquired Brain Injuries, Autism and Learning Disabilities. Conveniently situated close to the town centre and community amenities, the service provides a secure and nurturing environment where individuals can develop daily living skills, build confidence and progress towards greater independence.

Support at Glanmore is delivered through a collaborative and person-centred approach, with care plans tailored to each individual's needs, goals and aspirations.

Using tools such as the Recovery Star alongside positive behavioural support, the team works closely with external professionals and support networks to help people achieve meaningful outcomes.

This holistic approach encourages personal growth, emotional wellbeing and active participation in everyday life.

The service offers six en-suite bedrooms, communal lounges, a conservatory, dining spaces and accessible outdoor areas that encourage social interaction and relaxation.

Combined with strong community links and specialist support, Glanmore provides an environment where individuals can develop greater independence and enjoy fulfilling, meaningful lives.
