

Evergreen

Keys

Specialising in acquired brain injuries and mental health needs

 6 Ensuite Bedrooms plus 2 other bedrooms

 Mixed Gender 20 - 65 years old

Wake Green Road, Moseley, Birmingham, B13 9UT

Evergreen is a specialist residential service in Moseley, Birmingham, supporting up to eight adults with acquired brain injuries and mental health needs. Located in a vibrant yet peaceful area with access to green spaces, local amenities and transport links, the service provides a welcoming and homely environment where individuals can feel settled while building confidence and independence.

At Evergreen, support is highly personalised, focusing on promoting independence, wellbeing and choice.

The team works closely with each individual to develop tailored care plans that support cognitive, emotional and physical development, while encouraging people to take an active role in decisions about their lives.

Through meaningful activities, community engagement and opportunities such as voluntary work, individuals are supported to build skills, confidence and a sense of belonging.

The home offers a comfortable and sociable environment, with a mix of en-suite bedrooms, shared living areas and a spacious garden.

From relaxed communal spaces to opportunities to develop daily living skills in the kitchen or through group activities, Evergreen provides a nurturing setting where individuals can feel at home while progressing towards greater independence and a fulfilling lifestyle.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care, Education and Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
