

Westholme

Specialising in **learning disabilities, autism, mental health** needs and **acquired brain injuries**

Keys

12 Ensuite Bedrooms

Mixed Gender - 18–65 years old

29 Greenhill Road, Moseley, Birmingham, B13 9SS

Westholme is a specialist residential service, supporting adults with Autism, Learning Disabilities, Acquired Brain Injuries and Mental Health needs. Positioned between Moseley and Kings Heath, with excellent access to community facilities, public transport and local amenities, the service offers a supportive environment where people can build confidence, develop skills and lead fulfilling lives.

Support at Westholme is centred around a person-focused approach that values individuality, choice and opportunity. The experienced team works collaboratively with mental health professionals and other specialist services to provide tailored support plans that help individuals achieve meaningful outcomes.

With a focus on independence, community engagement and personal growth, people are encouraged to pursue training, volunteering, employment and social opportunities that support their aspirations.

Housed within a spacious Victorian property, Westholme offers twelve bedrooms, including seven en-suite rooms, alongside shared lounges, kitchens, dining areas and quiet spaces.

Accessible facilities, landscaped gardens and a dedicated summerhouse provide opportunities for relaxation, socialising and activities, creating a welcoming home where people can thrive and move towards greater independence.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care, Education and Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
