Keys

8 Ensuite Bedrooms

Mixed Gender - 18–65 years old

17 Milton Rd, Weston-super-Mare, Somerset, BS23 2SJ

Ashcombe Court is a specialist residential service, supporting adults with a range of complex needs. Located close to local amenities, leisure facilities and community resources, the service provides a structured and supportive environment where individuals can build confidence, develop independence and work towards achieving their personal goals.

Support at Ashcombe Court is guided by a holistic, person-centred recovery approach that recognises each individual's strengths, aspirations and unique journey. Working alongside Positive Behaviour Support specialists, the team provides tailored support that promotes choice, independence and meaningful engagement in daily life. Individuals are encouraged to shape their own routines and activities, helping them develop essential living skills while maintaining control over their support and future ambitions.

The service offers eight en-suite bedrooms, including wheelchair-accessible accommodation, alongside welcoming communal spaces designed to encourage independence and social connection. With shared living and dining areas, outdoor spaces and easy access to local shops, entertainment venues and community opportunities, Ashcombe

Court provides a safe and nurturing setting where individuals can thrive, pursue their interests and make positive progress towards greater independence.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care**, **Education** and **Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
