

Sunnydale

Specialising in mental health needs and learning disabilities

Keys

10 Bedrooms (3 with Ensuites)

Mixed gender - 20 to 65 years old

Shrewsbury Road, Craven Arms, Shropshire, SY7 9PY

Sunnydale is a specialist residential care home supporting up to 10 adults with mental health needs and learning disabilities. The service offers a therapeutic and supportive environment where individuals are encouraged to develop independence, build confidence and work towards achieving their personal goals.

At Sunnydale, support is delivered through a person-centred and recovery-focused approach, with regular reviews and dedicated keyworker support ensuring care remains responsive to each individual's needs.

The team works closely with individuals to develop life skills, build coping strategies and set meaningful goals, empowering them to take control of their progress and future.

The home provides a mix of en-suite and spacious bedrooms alongside communal living areas and gardens that promote social interaction and independence.

Located within a well-connected community, Sunnydale offers access to local amenities and activities, supporting individuals to engage with their surroundings, develop new skills and move towards more independent living.

Connected Support

Keys provides support for children, young people and adults from our national network of **Care, Education and Health** services, including specialist schools, alternative learning solutions, children's homes, adult residential, supported living and neurodevelopment services.
