1. Introduction

This Attendance Policy reflects Keys Group’s EPIC values—Excellence, Passion, Integrity, Caring—and the Keys Connect approach, which emphasises relational, trauma-informed practices tailored to support pupils with complex needs and attendance challenges.

Keys Group schools are committed to working in partnership with pupils and families to promote and support high levels of attendance. In line with the Department for Education’s statutory guidance *Working Together to Improve School Attendance* (updated August 2024), our approach prioritises early intervention, relationship-building, and understanding the barriers to attendance. We recognise that improving attendance is not solely a compliance issue but a collaborative effort rooted in pastoral care, wellbeing, and inclusive practice. Our schools consistently demonstrate strong engagement with families and pupils, and we aim to build on this strength by ensuring that support is proactive, respectful, and tailored to individual needs. Attendance is monitored rigorously, and strategies are implemented to address persistent or severe absence, always with the goal of re-engaging learners and fostering a culture where every day in school counts.

The policy complies with Part 3, paragraph 15 of the Independent School Standards 2014 (as amended), and the Education (Pupil Registration) (England) Regulations 2024. It recognises the unique barriers faced by many of our pupils, including historical trauma and ongoing challenges, and commits to a personalised, empathetic approach to attendance improvement.

While our aspiration is for all pupils to achieve 100% attendance, we pursue this goal sensitively and realistically, recognising that many pupils join us with persistent absence patterns.
